Quality Policy

M Salt is a quality company,
our all-natural Himalayan rock salt
products are quality tested & certified by
the international quality assurance agencies,
M Salt complies with international quality
Standards of FDA-USA,HACCAP,ISO,CE,HALAL.

Process- 1
The manufacturing of Salt lamps starts with rock salt screening, sizing after that rock salt is shaped

Process- 2
The shaped rock salt lamps are sent to main drill-double drill-hand drill processing for bulb & base hole

Process-3
After drilling process the lamps are washed & dried for wooden base installation

Process-4
The assembled lamps are cleaned, & screened then final quality scanning is performed

Process-5
QC pass lamps are sent for packing & palletizing
